Meeting started at 2:31 pm

Discussion with CAFR chair about their feedback on the syllabus motion.

- CAFR chair noted that they were happy with the revisions made to the motion by CEPP in response to their feedback.
- CAFR chair raised question about the placement of the new language in the Faculty Handbook, and whether some details of the language are better placed in a different part (Part I or II) of the Handbook in order to make the formatting consistent.
- CAFR chair also pointed out that certain members on CAFR felt that only Part I of the handbook is contractual so perhaps some of the new language on syllabi needs to be moved in recognition of that.
- Committee discussed which portions of the motion should be retained in Part I, and which should be moved to Part II, Art 3 (Academic Policies), Section C, and decided to move most of the language to Part II of the handbook.
- classes might be unreasonable in cases where a faculty member's contract begins only a few days before the beginning of classes.

Committee worked on revising/editing the motion and rationale to be presented on the faculty floor.

Approved minutes from the previous meeting with changes.

Meeting concluded at 3:32 pm.
