

FEC meeting 11.12.18

Present: Katie Hauser, Kendrah Murphy, Juan Navea, Casey Schofield

- A. Built ballot for ATC. Noted that we need to elect a social scientist (to replace the vacancy left by Dan Nathan in Fall 2019). Discussed possible PC ballot.
- B. Clarified that folks on the tenure be expected to serve during year 4 (i.e., pre-tenure sabbatical)
- C. FAB is *both* elected and appointed.
 - a. Some tension continues to exist in terms of FEC's role in filling this committee. We agreed the most appropriate path forward is for Fr431mr ij/TTO 1 Tf0.0056(ria)10.0t(p)1431m)2.8and pro election results to the Dean, who then selects a candidate based on election results (and also knowledge of the expectations of the committee in terms of adequately representing the diversity of the faculty).
