

**FACULTY MEETING**  
**April 24, 2015**

**MOTION**

**Motion:** FEC proposes to eliminate Part Three, Section II (Integrity Board) from the Faculty Handbook and sequence the remaining sections in Part Three accordingly.

**Rationale:** The Integrity Board is listed in the Faculty Handbook (Part Three, II, B) as a Student Government Association Committee, which it is not. Moreover, both the Student Handbook and the Academic Integrity Handbook describe in detail the function and membership of the Integrity and the Administrative Hearing Boards, as well as the adjudication processes regarding various types of violations. FEC recognizes the importance of a standing committee to adjudicate misconduct cases as well as faculty representation in cases of academic integrity violation and sexual and gender based misconduct. However, FEC is of the opinion that the proper home for the IB is the Student Handbook and proposes to eliminate the Integrity Board from the Faculty Handbook.
