## **MOTION**

Motion: FE@roposesto eliminatePartThree,SectionII (Integrity Board)from the Faculty Handbookandsequencethe remainingsections in PartThreeaccordingly.

Rationale:TheIntegrity Boardis listed in the FacultyHandbook(PartThree,II, B) as a Student GovernmentAssociatiorCommittee,which it is not. Moreover, both the StudentHandbook and the Academidntegrity Handbookdescribein detail the function and membership of the Integrity and the AdministrativeHearingBoards, as well as the adjudication processes regarding various types of violations. FEGecognizes the importance of a standing committee to adjudicate misconduct cases well as faculty representation in cases of academidntegrity violation and sexual and gender based misconduct However, FEGs of the opinion that the proper home for the IB is the Student Handbook and propose to eliminate the Integrity Board from the Faculty Handbook.
